ONE MAN'S

FARM EXHIBIT

One of the best attractions at the
Jackson County Fair next week
will be the exhibits in the compe-
tion for the one man's farm display
for the \$40, \$30, \$20, and \$10 prizes
under the State rules. It is expect-
ed that an unusually large number
of men will compete in this depart-
ment this year.

As this has been an exception-
ally fine season for farming in this
county, nearly every farmer can
make a most creditable display and
the premiums being large will be
an incentive to them to make their
entries.
